Connecting your iPad, iPhone or iPod to your OneDrive.

The following instructions apply to using University OneDrive on iOS Devices.

If you need further support, please contact IThelp@tees.ac.uk or visit one of the IT Service Desks or refer to Apple.

Tap any Office App (Word, Excel, Powerpoint, OneNote, OneDrive)
Type your Student Email address in the Sign in box then tap Next or Go.

Type your password, tap Sign in or Go.
The Office App will ask you if you want to enable notifications, this can be useful for keeping up to date on collaborative work.

Your Teesside University OneDrive is now connected to your device, when you open a Microsoft Office App on your iPad or Computer sign in with the same account and files saved to your OneDrive will be available.
