How do I connect my iPhone/iPod Touch to Eduroam?

The following instructions apply to using the Eduroam wireless service on the iPhone or iPod Touch.

1. On the Home screen of your iPhone, tap Settings.

2. Tap Wi-Fi.

3. Turn Wi-Fi **ON** and Tap **eduroam**.

4. Enter your **Username** (full email address, see note below). Then enter your **Password** and tap **return**.

Note:

If you are a member of staff - Enter your University e-mail address, (e.g. A.Nother@tees.ac.uk) into the User Name field and then enter your usual password.

If you are a student - Enter your student number followed by @live.tees.ac.uk (e.g. G12345678@live.tees.ac.uk) into the User Name field and then enter your usual password.

If you are a University associate - Enter your University e-mail address, (e.g. X12345678@tees.ac.uk) into the User Name field and then enter your usual password.

5. The certificate will be shown, tap **Accept**.

6. You will be returned to the Wi-Fi Networks screen, this should show that you are now connected to Eduroam.
