Please Select one of the following:

Please note you can download the software at home but the actual installation needs to be done on the University campus and can take up to 3 hours.

The SEK Code is: **XSEK12** and ensure you select version **2018-2019**.

Once you have started the installer it will prompt you for a serial number – at this point you need to bring your machine to the IT Service Desk in MG.01 for the key to be entered and recorded on our documentation.
