

Teesside University Smart Card (TUSC)

A Teesside University Smart Card (TUSC) is:

- Your Library card
- Your ID card
- Used for access to buildings and car parks
- Used for ID when you attend examinations
- Used for MyPrint

Guidelines for TUSCs

- Your TUSC should be kept with you at all times as it is required when using facilities in the Library. Items cannot be borrowed without it.
- A TUSC lasts for the duration of your course, employment or association with the University.
- When you finish your course/employment/association you should return your TUSC to the Library
- Do not loan/give your TUSC to anyone else – you are responsible for all items issued to your TUSC.
- Replacement TUSCs can be purchased from the [Online Shop](#) and collected from either the Library at Middlesbrough Campus or Darlington Campus at a standard charge of £5. Your old TUSC will no longer be valid.
- If your card is merely damaged, then please visit the Library at Middlesbrough or Darlington Campus, and present the old card. There is no charge for replacing damaged cards.
- Students can use TUSCs to access University MyPrint services but will need to register and credit their account first. Staff and Associates can also use their TUSC for printing and photocopying. All costs incurred will be charged to your school so please ensure you have permission first.

If you experience difficulties using any IT Service please contact call internal 2220 or external 01642 342220.
